Five-bedroom Beachfront Villa

**FOUR SEASONS RESORT AND RESIDENCES,
ANGUILLA**

Anguilla is a picture-perfect Caribbean island without the pretense and scene of its more buzzed-about neighbors. And its repeat visitors such as Robert De Niro love it. Experience the best in barefoot luxury, with the emphasis on opulence, at the five-bedroom beachfront villa. Perfect for family gatherings, it has a fabulous outdoor dining area, private pool, and best of all, direct beach access just steps from the doors. If you don't feel like cooking, the chef can come over and create a delicious Caribbean meal for you, or can even bring everything prepped for you to grill yourself. The Kelly Wearstler-designed space is eclectic and effortlessly merges indoors with out.
