Happy Birthday

Golf Digest's 40th Best in State course ranking

Has it really been 40 years? In 1977, Golf Digest first started ranking the best courses in each state, 11 years after the debut of our national list. Earlier this year, we brought you the latest version of America's 100 Greatest Courses, and this month we honor the top courses in all 50 states. To see the rankings, including the 100 Greatest and the Best in Canada, go to golfdigest.com/go/100greatest.
