## A LUXURY DESTINATION WEDDING VENUE IN PARADISE

For pairs planning an unforgettable destination wedding south of the border, luxury resort **Banyan Tree Mayakoba** has unveiled an all-new, indoor-outdoor event space to celebrate their 10-year anniversary. With over 10,000 square feet, allowing for guest lists surpassing 500 attendees, **MK Blue** is a dream venue for discerning pairs across the globe. With unobstructed views of the tropical forests and waterways of Mayakoba, the palatial site will create a wondrous setting for an unforgettable celebration. A beautiful 2,500-square-foot outdoor terrace is designed with a raw and organic feel, showcasing a refined Caribbean-inspired atmosphere for the most sophisticated events in Riviera Maya, Mexico. Couples and their loved ones traveling for the celebration can also look forward to experiencing a variety of underway enhancements as part of the \$50 million expansion project on property, including new and renovated overwater villas, beachfront suites, oceanfront pools, and additional restaurants to accompany the gourmet dining, sensational spa, and exquisite activities available at the resort.
