This peninsula may be a slim strip of land, but it's undergoing a hotel boom. The Amrit Ocean Resort & Residences is a luxury property that aims to be a wellness destination. In the four-story spa, you can get a massage or a facial, as well as treatments like hydrotherapy and chakra balancing. The Singer Oceanfront Resort (above) offers pool cabanas, bike rentals, and food and drinks you can enjoy right by the water. And a renovation at the Palm Beach Marriott Singer Island Beach Resort & Spa has added a Mediterranean restaurant, Ona Coastal Cuisine.
